INSTALL TIMELINE

DAY: 1

- Disconnect - plumbing, gas and electrics to make work safe.
- Removal of old cabinets and splashbacks.

** If no other structural work is required*

*** If you need to retile or move power points and/or plumbing this happens prior to the install of the new cabinets.*

DAY: 2

Install new cabinets.

DAY: 3

- Afternoon of the third day the benchtop is measured by stone mason.
- Allow 5 working days for stone preparation.

DAY: 8

Benchtop is installed.

DAY: 9

Tile splashback is installed.

**If glass splashback is chosen, this is measured once the benchtop is installed. Allow 3 weeks, however the kitchen can be used in this time.*

***If a stone splashback is chosen, allow 5 working days.*

DAY: 10

Fit off final plumbing and electrical items.

Kitchen is complete - Enjoy your kitchen for years to come!

Disclaimer:

This is a typical timeline. Each client is treated on an individual basis and may require other works to be completed or the works may be completed in a shorter timeframe. We develop a timeline with you based on your specific needs.
